8. Racing exhaust (stainless steel) those silenced megaphones have been developed for rally racing, they give you the maximum of torque and power at minimum weight. (without TÜV homologation.) art.: 707.3

9. Seat. We can do a lot from upholstering for the tall guy to reduced foam height for the smaller people, with new foam we renew your seat and with the genuine leather cover we make ri-

9

ding a pleasure. Please ask for detailed info.

Single seat with genuine leather cover shows its qualities on long distance touring. art.: 924.3

Without pict. **Raincover** for mono seat art.: 924.4

Without pict. **Dual seat** with genuine leather cover art.: 924.1

Without pict. **Raincover** for dual seat art.: 924.5

10. Auxiliary seat mounted on

10

the luggage carrier makes a passenger seat on the HPN single seater. art.: 904.21

Without pict. **Seat fixation*** art.: 912

*The seat fixation is needed for HPN motorcycles, it does not fit in combination with the rear auxiliary tank, in this case use rubber straps. art.: 220

Without pict. **GFK insert** for converting a bottom plate of a stan-

11

dard seat to HPN kit version, it allows the needed tire clearance underneath your seat.

G/S or basic seat art.: 913

R80/100GS seat art.: 913.1

11. Luggage carrier behind a single seat in different versions available. art.: 904.9
